OMBUDSMAN

Fair Work

The Fair Work Ombudsman helps all people living, employing and working in Australia to understand and comply with relevant workplace laws. They provide information advice, investigate complaints and enforce Australian workplace laws.

Find information on their [website](#).

If you have a question or problem relating to your workplace, you can call the Fair Work Infoline on 13 13 94.

The Fair Work Ombudsman can help you to resolve workplace issues and have a variety of actions that you can take including making an anonymous report. You can make an anonymous report about illegal workplace behaviour [here](#).
